

## 2008-2009 Commercial Hot Mix Price List for Routine Projects

April 15, 2008 through March 31, 2009

MoDOT reserves the right to choose a vendor based on gradation and cost analysis, availability and project distance to each plant and/or if a plant moves or establishes a new location during the season, not necessarily low bid.

**Existing Plants** - The prices entered below are for "existing plants" and are considered firm for the contract period, unless a vendor elects to submit a new revised price by contacting MoDOT. **This will ONLY be allowed on the last Monday of the month.** The new price will go into effect the following month.

**New Plants** - If a "New Plant" is established during the contract period in a new location, a bid price will be accepted for business immediately upon the vendor contacting the MoDOT District 2 Procurement Office at (660)-385-8246.
